

The 18xx games are on page 2 onwards in order of starting. Outpost M2 is on p 13, In The Year Of The Dragon M2 is on p14 & P15 and The Games That You Play is below.

New Games: 18EUX35 SR1 is in progress by email. 1856C36 starts below for Ian Pendlebury, Tim Parkes, Tony Sait, Mike Bennett & John Shelley. The current Outpost game is predicted to finish next time - so it is time to add your name to the waiting list for the next Outpost should that be your desire,

So, if you consider yourself to be a "core (video) gamer" and are interested in turn-based strategy and other thinking games on a mobile platform (primarily iOS but also Android) then do let me recommend Pocket Tactics [<http://www.pockettactics.com/>] to you. Like Gamers With Jobs it is a site that is primarily for gamers that also have a life that they enjoy away from gaming - a life that has impedimenta like jobs, mortgages, loved ones - but want the gaming that does get done to be interesting and/or thought provoking.

**1856C36****GAMESTART**

You are ... in dealing order ... Tony Sait, Mike Bennett, Ian Pendlebury, Tim Parkes, John Shelley.

I believe nothing more needs to be said - you just need to make plans to spend your initial 300 dollars.

Will you take a look at that - four companies will operate in OR1 and none of them are the PRR. Not a single one. Next time we will pause after SR2 if at that time (a) a 3 train has been bought and/or (b) there has been any change of company presidency (which includes there being a new presidency).
