1835S41 **COMMENTS**

John W 3rd I'm not quite sure how I managed to end up running both of the "small" companies, but at least I didn't come last despite Tony's determined blocking of the poor little OIE. Congratulations to Tim

GM Many thanks to Tony S for stepping in when George L had to drop out of this game. I do hear that George is much recovered but is not back to his former self.

1835S42 : HALF THOMPSON GAME : PHASE 1 : BANK - 10,744M NEXT TIME - OR1, SR2, OR2 & SR3

The rolls favoured the leaders. The order is unchanged but Tony gains a bit on Mike who gains a bit on John.

I was thinking of analysing expected earnings against actual earnings - but that is only one aspect of the luck element in this game, the other, and probably the more impactful, being which runs come up. Thoughts on a postcard please - but do not attempt to write on both sides at once. That old chestnut comes to you courtesy of 1066 And All That.
