

1856N21 is held over, nothing from Mark Hancock. Hopefully just away and nothing more concerning. It will run next time come what may. Martin Butcher has dropped out of 1870X20 and Outpost M7. Volunteers to take over Martin's place in the Outpost please. I will cover the 1870 game (unless somebody unexpectedly offers), writing orders as I send out each Minstrel. I expect to maintain his current position. Outpost M7 is on page 9 and 1856N23 is on page 7 after 1829V22. Other games in order. And I'm off ...

DEADLINE

ROB THOMASSON

FRIDAY 27TH JULY, 2007

205 TOLCARNE DRIVE, PINNER, MIDDLESEX HA5 2DN

I was so caught up in correcting previous Connection Run errors that I missed that the MP completed its Connection Run last time. By agreement with the president it happens this time (at the value that applied in OR11). All the 10 trains are now bought but no one company has credit enough for a 12 train ...
